Comments from participants of program

- ▶ The trainers are friendly, rich in experiences and used many down to earth examples for us to understand.
- ▶ It was meaningful that I could discuss with participants from other companies.
- ▶ It was interesting to me that we did case study, group discussion then finally did presentation.
- ▶ Learnt the various methods of Project Management through many case studies is very useful for organizing a team and carrying out a task as a manager.
- ▶ It was very useful to learn Marketing Theory and Strategy Planning properly, I would like to challenge new marketing idea in my company.
- ▶ This was the first time for me to learn financial principles and concepts properly so I would be changing my mind better at my workplace.
- ▶ To come to know new friends is fun!
- ▶ Learnt in this course, it's very useful for my working place because it's not only academic theory but also practice group discussion and presentation training.
- ▶ It helps me to communicate with the subordinate better and to understand the problem in organization.
